- Note that each skating family must volunteer 3 hours per membership year help support and run club events. Examples of volunteer hours include (but are not limited to) donation of hospitality items for test sessions, ice monitor for test sessions, working dress swaps, serving on the board of directors, serving on a committee
- Parents must register within Entryeeze for purposes of contact information and signing of waivers for skaters under 18. However, parents will not receive a USFS membership number unless the parent is a member of the board of directors, in which case the FCFSC will pay for the USFS membership for those serving on the board of directors who are not skating or coaching members.
